Protection of Personal Information (Company Statement)

B&G Services t/a BG Servers complies with POPI legislation.

The company undertakes to treat the client or prospective client's personal information as confidential and to process this personal information in a fair and lawful manner.

Please read the statement below and should you object to the content, please advise our POPI officer via email (bgservershr@gmail.com).

Should we receive no objection from yourself as a private client or as a representative for your company, we accept that you have read the statement and have no objection to our company statement.

COMPANY STATEMENT:

You, our client | service provider agrees to the collection, use and storage of your or your company's personal information for reasons directly relevant to the relationship between BG Servers and yourself or for other legitimate purposes, including, but not limited to: Compliance with applicable related statutes or other legal or regulatory requirements or industry codes applicable to BG Servers or where it is otherwise allowed by law.

BG Servers will not communicate your personal information to third parties or obtain information about you from third parties without your consent unless:

1. It is necessary to conduct a relationship between a service provider or operator and your business (the responsible party), for example; a credit reference agency or law enforcement agency
2. Required or authorized by law (such as a garnishing order)
3. It is disclosed to the client's service providers who are involved in the delivery of services to the client (in which event BG Servers will have agreements in place to ensure the integrity of the personal information).
4. BG Servers will only use or disclose information concerning the client's race or ethnic origin, political opinions, religious beliefs or philosophical, health and criminal behavior provided to us with the client's explicit consent or in limited lawful circumstances.

BG Servers will take reasonable measures to ensure that the client's personal information:

- Is not kept for longer than is necessary for the purposes collected, unless required by law or by BG Servers in respect of the service relationship.
- Is protected by such security safeguards as are reasonable to guard against unlawful and unauthorized processing and accidental loss or destruction or damage.
- The client may access the personal information that BG Servers holds and request BG Servers to correct any errors or to delete this information.
- BG Servers will take all reasonable steps to ensure that personal information held by it is accurate and kept up to date. (To ensure such accuracy, the client agrees to check their personal information and keep their personal information updated should it change.)

Yours in compliance
